Executive Summary & Strategic Insights

- **Scale:** Portfolio serves 4,500 accounts across 77 districts, processing 1.06M transactions (120.8M CZK volume) with steady month-over-month expansion.
- **Credit Risk:** Overall portfolio default rate is 11.1% (76 defaults). Risk is heavily concentrated in accounts with < 20k CZK pre-loan balances (47.1% default rate) versus accounts > 60k CZK (4.5%).
- **Growth Opportunity:** High liquidity across mature accounts highlights immediate cross-sell potential for premium payment cards and structured credit lines.
